Tea menu

*Welcome to Orange Pekoe.
We say Orange Pee-ko*

Orange Pekoe tearoom was established in Barnes in April 2006 and began from one person's passion and love of tea.

We have pursued our passion to create London's best tea venue and have achieved multiple awards along the years.

Our philosophy is to offer you loose-leaf teas in their purest form and we travel far and wide to find the finest hand-picked teas in the world.

There is always a trained tea sommelier who can advise you on your tea choice. We encourage you to come and look at the handsome tea caddies, smell the unique teas and admire their beautiful leaves.

Please share your Afternoon Tea photos on instagram @orangepekoeteas

THE CLASSIC COLLECTION

Orange Pekoe Breakfast Blend

Made up of broken Assam teas. It is a perfect way to start the day as well as a great tea to ‘pick you up’ at any time of the day.

A powerful and malty tasting cup which is best enjoyed with milk. It goes well with breakfast or a slice of cake in the afternoon.

Orange Pekoe Afternoon Blend

This blend was created for the Queen’s Diamond Jubilee, it combines a rich malty Assam with a flowery Darjeeling and a large leaf tea from Tanzania.

A light and sophisticated cup of tea fit for a Queen. Can be enjoyed black or with a dash of milk.

Orange Pekoe Earl Grey Blend

A blend of China Black Tea and essential oil of bergamot.

It has a refreshing, uplifting citrus flavour and aroma and is a sophisticated tea, perfect for afternoon drinking. This tea can be enjoyed black or with a little milk.

Orange Pekoe Citrus Grey

A blend of China Black tea, essential oil of bergamot, lemon and orange peel. It is a lovely alternative for those who enjoy Earl Grey.

This tea offers a light, refreshing cup, full of citrus flavours and aromas. Can be enjoyed black or with a little milk.

Orange Pekoe Lapsang Souchong

A smoked black Chinese tea; a specialty of the Fujian province. The large tea leaves are placed over smoking pine fires then pan-fried and rolled.

These leaves give a distinctive highly smoked aroma and flavour. Best enjoyed black or with a dash of milk. It pairs well with English breakfast foods, strong cheeses and spicy foods.

Orange Pekoe Decaffeinated Breakfast Blend

Our decaffeinated English breakfast is made from Ceylon tea leaves that have been treated using the CO₂ method.

This offers a light cup of tea for those who wish to avoid caffeine.

£4.50 per pot regardless of your tea choice

ASSAM TEAS

Assam tea is what we Brits associate with a typical breakfast tea. Because of the full-bodied richness, these teas drink extremely well with breakfast foods such as ham, bacon and smoked fish. All our Assam teas are single estate, meaning they originate from only one tea garden and have not been blended with any other tea.

Assam Bargang

This single estate tea is from the Bargang Tea Garden. It is a broken second flush Assam. Assam broken teas are ideal for those who like strong tea as they are more robust than our whole leaf Assam teas.

Offers a powerful infusion; it is best enjoyed with milk and makes a nice breakfast tea.

Assam Mokalbari

A superior quality Assam. It is a large whole-leaf second flush Assam with lots of golden tips. The young golden tips in Assam tea are a sign that the tea is of a very high standard.

Smooth and light with lots of aroma. It makes a lovely afternoon tea with a dash of milk and is considerably lighter than our Assam Nahorhabi and Assam Bargang.

Assam Nahorhabi

From the Nahorhabi tea estate this tea is a broken second flush Assam, similar to Assam Bargang. It is ideal for those who like a strong tea. The difference between this tea and Assam Bargang is that it is full of fine golden tips; a sign of superior quality.

Malty and sweet in flavour and lingers in your mouth. It makes a great breakfast or afternoon tea and is best enjoyed with milk.

CEYLON TEAS

Ceylon teas are considerably lighter in flavour than Assam teas. All our Ceylon teas are single estate, meaning that they originate from only one tea garden and have not been blended with any other tea.

Ceylon Kenilworth

A Kenilworth tea from the famous Kenilworth tea estate in the Dimbula region of Sri Lanka. A classic Orange Pekoe tea.

Dark, long, thin shaped leaves, produces a golden, fruity cup of tea bursting with flavour. Can be enjoyed with or without milk and is lovely in the afternoon.

Ceylon Pettiagalla

This Pettiagalla tea is from the Pettiagalla tea estate in the western Dimbula region of Sri Lanka. Similar in appearance to our Kenilworth, Ceylon Pettiagalla has dark, long, thin shaped leaves.

Produces a light infusion and is perfect for people who do not like their teas too strong. Can be enjoyed black or with a dash of milk.

£4.50 per pot regardless of your tea choice

DARJEELING TEAS

Darjeeling teas are known for their fine, subtle, flowery taste and aroma. This is all due to the unique combination of the cool, misty climate, elevation, rainfall and the quality of the soil and air. Darjeeling produces two main pickings each spring – first flush and second flush.

Darjeeling Barnesbeg First Flush

Single estate Barnesbeg tea from the Barnesbeg tea garden.

Large green leaves produce an elegant, aromatic, soft cup of tea with flavours of muscatel grapes.

Darjeeling Namring Upper First Flush

Single estate Namring Upper tea from the Namring Upper tea garden.

This first flush Darjeeling has large green leaves producing a light, fresh and fruity taste.

Darjeeling Margaret's Hope Second Flush

Single estate Margaret's Hope tea from the highly prized world famous Margaret's Hope Garden.

This second flush Darjeeling produces much darker green leaves than first flush Darjeeling, resulting in a stronger taste. This tea offers a mellow and flowery flavour.

Darjeeling Himalayan Royal Blend Second Flush

Very special Darjeeling second flush blend takes a mixture of Darjeelings from only the finest estates.

Well rounded, delightful afternoon tea. The perfect introduction to Darjeeling tea.

£4.50 per pot regardless of your tea choice

SCENTED BLACK TEAS

Orange Pekoe offers a range of the finest Scented Black teas blended with real fruit pieces, nuts, herbs, flowers and essential oils. These teas are carefully and expertly blended and tasted by us to bring you the perfect balance of aroma and flavour.

Orange Pekoe Chai Tea

A blend of black, green and rooibos tea. These leaves are then blended with spices and herbs: cinnamon, ginger, orange peel, liquorice root, cardamom, cat's claw, cloves, pink and black pepper.

Warming, spicy and comforting. Can be infused for Chai Latte or as a regular tea.

Cinnamon Tea

A blend of the finest China black tea and cinnamon bark.

Sweet, warming and lightly spiced blend, can be enjoyed with or without milk.

Sweet Orange Tea

A blend of the finest China black tea, orange peel and dried orange pieces.

Offers a refreshing, tangy taste, bursting with orange flavour and aroma.

Rose Pouchong

A China black tea with pure pink dried rose petals.

The ultimate rose tea, a floral, aromatic tasting tea with a mild perfumed taste of sweet roses. Best enjoyed black and with light foods.

Smoky Earl Grey

A unique blend combining our Earl Grey and Lapsang teas.

This tea offers a unique smokiness.

Sweet Vanilla Tea

A perfectly balanced blend of China Black tea with vanilla pods and flavour.

Offers an intense aroma of vanilla with hints of caramel and raisin undertones.

£4.50 per pot regardless of your tea choice

CHINA BLACK TEAS

We do not normally associate China with Black teas. However, China produces a very diverse range of teas from Black to Green to Oolong teas.

Finest Golden China Yunnan

Yunnan province has been producing tea for over 1,700 years. This tea is also known as 'hongcha' which translates as 'red tea' in Chinese reflecting the copper coloured liquor that it produces.

This tea has an earthy, slightly peppery taste and is very unusual for those looking to try something different.

£4.50 per pot regardless of your tea choice

OOLONG TEAS

Oolong gets its name from the Chinese word 'Wu Long' which translated means 'Black Dragon Tea'. Oolong teas have a very unique and complex flavour. They have the freshness of Green teas without the typical grassy astringent notes and they have the depth and richness of Black teas.

China Milky Oolong

A truly unique Oolong from the Chinese Fujian Province. Our Milky Oolong offers a buttery sweetness comparable to caramel.

Nutty and creamy, this tea offers a delicious and elegant infusion, perfect for a relaxing afternoon.

China Oolong Tit Kon Yum

A classic Oolong from the Chinese Zhejiang province.

Leaves are dark green to light brown, half open and curly. Produces a complex flavour, slightly smoky and nutty in taste and must be enjoyed black.

Formosa Oolong

A special Oolong from the island formerly known as Formosa, now Taiwan. Taiwan is famous for producing Oologns as this accounts for the majority of its tea production.

Brown, large, wild leaves. It offers a smooth, mild flowery liquor. A lovely alternative to Green and Black Teas, must be enjoyed black.

CHINA GREEN TEAS

Orange Pekoe offers you Green teas from China, as well as a range of Jasmine Green teas and scented Green teas. Please ask our Tea Sommelier to help you find what's right for you.

China Gunpowder Organic

From the Anhui province, west of Shanghai. The tea is named after its appearance; tiny, tightly rolled balls that resemble gunpowder pellets.

As the tiny pellets unfurl in water they create a bright, smooth, slightly smoky Green Tea.

China Lung Ching Green Tea

Also known as 'Dragon Well' tea, this delicious green tea originates from the Zhejiang region in China.

These beautiful green leaves produce a clean, smooth green tea. A perfect introduction to the world of China Green Teas.

Moroccan Mint Gunpowder Green

An expert blend of China Gunpowder and whole spearmint leaves producing a refreshing and invigorating infusion.

Clean and fresh flavours from the spearmint leaves are met with a back kick from the gunpowder Green tea.

Sunon Yellow Tea

An exceptionally rare tea, this is a speciality of the Sunon region in China.

These large leaves produce a yellow liquor and a light, buttery, smooth flavour. A very delicate tasting tea.

£4.50 per pot regardless of your tea choice

JASMINE TEAS

In our opinion, the blending of jasmine blossom and tea leaves produces some of the best scented teas in the world. Jasmine teas are best enjoyed in the evening or after a meal. The intoxicating aroma of jasmine has the ability to help you feel cleansed, calm and relaxed.

Jasmine Phoenix Dragon Pearls

A speciality of the Fujian Province in China, our Jasmine Pearls have been crafted with extraordinary skill, rolling the youngest, finest green tea leaves by hand and layering them up to six times with fresh jasmine blossoms.

Watch the pearls unfurl to create a fresh, heady jasmine bouquet infusion.

Jasmine White Monkey

A rare large leaf Green Tea from the Fujian mountains which has been dried with natural jasmine blossom to absorb the aroma of the sweet, jasmine bouquet.

These beautiful tea leaves are large and slightly rolled with delicate silvery tips.

Jasmine Chung Hao

A high quality Green Tea that has been infused with jasmine flowers.

A lovely elegant, sweet, aromatic tea that makes a good introduction to the world of Green Teas.

Flowering Jasmine Tea Bulbs

A truly visual delight, hand sewn by artisans in China this is a premium Green Tea that has been dried with jasmine. This tea is then hand rolled and sewn into a beautiful tea bulbs with a decorative flower in the middle.

Watch the leaves unfurl and a beautiful flower appear.

£4.50 per pot regardless of your tea choice

JAPANESE GREEN TEAS

Japanese Green tea is steamed, making it very delicate in taste. In flavour, Japanese Green teas are more vegetal and grassy than China Green teas.

Japanese Sencha Makinohara

The majority of tea harvested in Japan today is of the Sencha variety. Our Japanese Sencha Makinohara has a high concentration of vitamin C and is packed with antioxidants.

Flat leaves that are a dark, deep green colour. The aroma and flavour is slightly reminiscent of seaweed and it offers a grassy and sweet tasting liquor.

Japanese Bancha

Japanese Bancha is one of the most popular teas drunk in Japan. Made from leaves that are harvested slightly later in the year than Sencha; the leaves are coarser and often contain stalks.

The flat green leaves offer a nutty, sweet and slightly vegetal flavour.

Japanese Green Cherry

A Sencha Green tea scented with cherry.

It has the vegetal qualities of a Japanese Green tea balanced with the intensely sweet and aromatic taste of sweet black cherries.

WHITE TEAS

White teas are very special and rare as the picking season only lasts a few weeks each year. The youngest and finest tea buds are picked before they open and are allowed to wither naturally for up to four days before they are gently dried. In taste, White teas are light, sweet and fresh.

When brewed they give a very pale, champagne coloured liquor.

White Peony

Rare Pai Mu Tan White Peony comes from the Fujian province of China. This White Tea is made from tightly curled buds and unopened young leaves plucked in early spring.

White Tea produces a pale yellow infusion with fresh delicate flavours.

White Silver Needle

The rarest White Tea in the world. Only the finest, youngest whole buds with long silver needles are handpicked in small quantities in the Fujian province of China. This picking process occurs only a few days each year.

This tea produces a pale yellow infusion with a light, delicate flavour. Perfect for those who find Green Tea too strong.

White Rose Tea

A stunning blend of China White Peony and miniature rose buds.

This romantic and impressive blend produces a delicate, floral White Tea with a slightly perfumed taste.

ROOIBOS

Rooibos is not made from the tea plant but from the 'Redbush' plant that grows in South Africa. Its leaves and branches have a typical red colour, which is why it is often called Redbush. Rooibos is said to have many health benefits, as it is caffeine free, contains a high level of antioxidants, and is rich in vitamin C, mineral salts and proteins.

Organic Rooibos

Our Organic Rooibos is one of the finest of its kind available.

This tea offers a sweet, malty delicious infusion. A calming and grounding cup of tea.

Vanilla Rooibos

Vanilla Rooibos has pieces of vanilla added to offer a sweet, smooth, caramel infusion.

It can be enjoyed with or without milk and makes a great evening drink as it is.

PURE HERB TEAS

All our pure herbs are organically grown. They are simply pure herbs with no artificial colouring or flavouring. There is no tea added to our herbal infusions either, therefore they are 100% caffeine free.

Organic Chamomile Flowers

This tea has been drunk for centuries for its calming and soothing properties. Our organic whole chamomile flowers are a good remedy for upset tummies or to aid a restful sleep.

This is a lovely caffeine free herbal infusion that produces a bright yellow infusion, bursting with chamomile blossom flavours.

Organic Lemon Verbena Leaf

Lemon Verbena is associated with helping to strengthen the nervous system, de-stress, aid digestion and reduce fever when feeling poorly or have a cold.

Produces a refreshing, delicate, lemony, soothing and uplifting infusion.

Organic Pure Pink Rosebuds

Whole organic miniature rose buds offer a romantic and beautiful visual delight served in one of our glass teapots. An excellent tonic to relieve anxiety and stress and amazing for healthy glowing skin.

These stunning caffeine free rosebuds produce a light floral, fragrant bouquet and aroma. The infusion is lightly perfumed, soothing, calming and soft.

Organic Pure Peppermint Leaves

Peppermint leaves have been drunk for centuries for their refreshing taste and cleansing properties. Our Organic Peppermint leaves are the perfect 'pick me up' and great for relieving bloated tummies or to calm nerves.

A refreshing, cleansing, caffeine free drink bursting with minty flavour and aroma. An ideal after dinner drink.

£4.50 per pot regardless of your tea choice

Organic Pure Raspberry Leaves

These leaves are typically known for aiding women during their monthly cycle. They are also very popular with women in their final stages of pregnancy.

This infusion does not taste of raspberries, but rather has a vegetal green taste. Try adding a spoonful of honey for extra flavour.

HERBAL AND FRUIT INFUSIONS

We only use real herbs, flowers and seeds to produce our herbal blends and they contain no artificial colouring or flavouring. There is no tea added to our herbal infusions either, therefore they are 100% caffeine free.

Sleep Time Herbal Infusion

For those of us who suffer from sleepless nights or find it hard to unwind after a long day, our herbal Sleep Time Blend has been blended with you in mind. A combination of lemon balm, heather herb, peppermint, chamomile, orange blossoms and blackcurrant leaves will leave you feeling calm and relaxed.

A calming, cleansing, relaxing infusion to get you in the mood for sleep or to help you unwind. 100% caffeine free.

Invigorate Infusion

A delicious, invigorating, uplifting infusion. We have carefully blended blackberry leaves, lemongrass, apple pieces, lemon balm, lemon verbena, papaya pieces, orange peel, hibiscus and carrot flakes.

A lemony, zesty, refreshing cup for those who want a lift without caffeine. 100% caffeine free.

Ginger Lemon Herbal Infusion

Created to help those feeling run down and offers a feel good 'pick me up'. Lemon counterbalances the pungent yet sweet taste of ginger and provides a source of vitamin C and antioxidants.

An invigorating kick of ginger balanced with zesty and refreshing lemons makes a comforting and healthy infusion. Lovely with a teaspoon of Manuka honey. 100% caffeine free.

£4.50 per pot regardless of your tea choice

The Retreat Infusion

We have carefully crafted a perfect blend of lemon grass, lime tree blossom, peppermint leaves, marigold flowers, blue cornflower blossoms and safflowers to bring you something truly special.

Calming, refreshing and cleansing a wonderful herbal escape. 100% caffeine free.

Pregnant Mummy Blend

We have specially blended these herbs and seeds for their high nutritional benefits for pregnant mummies. A special formula of fennel, anise, caraway seed and stinging nettle.

A full and rich aroma with a distinctive fennel taste. 100% caffeine free.

Forest Fruits Infusion

Our Forest Fruits infusion is bursting with fruit flavour and aroma. We have blended whole rose hips and hibiscus flowers, pineapple pieces, carrots, blackberries, cranberries, strawberries, raspberries and popcorn.

A visual delight, 100% caffeine free and perfect for kids too.

Cherry Burst

This Cherry infusion is bursting with flavour and aroma. We have blended sugared cranberries, elderberries, hibiscus, sour cherry pieces, freeze-dried cherries, pink rosebuds and natural cherry flavour.

A visual delight, 100% caffeine free and perfect for kids too.
